Upon the expiration of initial term, the Original Framework Agreement was automatically renewed for two years and valid until 31 December 2024.

To renew transactions under the Original Framework Agreement and to regulate transactions conducted with Hwabao Parties, on 29 April 2025, the Company entered into the Framework Agreement on continuing connected transactions with Hwabao Trust, Hwabao Fund and Hwabao Securities, with an initial term from 1 January 2025 to 31 December 2025. Upon expiration of the initial term, the Framework Agreement shall be automatically renewed for a term of one year, and there shall not be more than two automatic renewals.

FRAMEWORK AGREEMENT

The principal terms of the Framework Agreement are set out below:

Date

29 April 2025

Parties

- (1) the Company;
- (2) Hwabao Trust;
- (3) Hwabao Fund; and
- (4) Hwabao Securities

As at the date of this announcement, Hwabao Investment is a substantial shareholder of the Company, and Hwabao Securities is a subsidiary of Hwabao Investment, which therefore constitutes a connected person of the Company under Chapter 14A of the Hong Kong Listing Rules. Hwabao Trust, Hwabao Fund and Hwabao Investment are under common control of Baowu Steel, and accordingly, Hwabao Trust and Hwabao Fund constitute connected persons of the Company under Chapter 14A of the Hong Kong Listing Rules.

Scope of Transactions

Pursuant to the Framework Agreement, the Company and Hwabao Parties have entered into and will continue to carry out certain ordinary transactions in their ordinary and usual course of business, including:

(1) Fund utilisation business

- (i) Sale and purchase of bonds: the transactions of sale and purchase of bonds such as government bonds, enterprise bonds and corporate bonds entered into by the Group with various counterparties at fair market prices through the inter-bank and other markets in the ordinary course of business of the Group.
- (ii) Pledge-style repo: the transactions of repurchase of bonds entered into by the Group with various counterparties at fair market prices through the inter-bank and other markets in the ordinary course of business of the Group.

- (iii) Subscription and redemption of securities investment funds: the transactions of subscription and redemption of securities investment funds publicly offered by various fund management companies at market prices entered into by the Group in accordance with the principle of “subscription by monetary amount and redemption by share” in the ordinary course of business of the Group.
- (iv) Other fund utilisation business permitted by the NFRA: purchase of other financial products approved by the NFRA, including trust plans, insurance asset management products, wealth management plans of commercial banks and special asset management plans of securities companies.

(2) Sales of financial products business

The sales of financial products business mainly consists of sales of asset management products, which includes insurance asset management products, infrastructure investment plans, real estate investment plans, project asset backed plans, equity or real estate investment funds traded with Hwabao Parties, and other asset management businesses approved by the NFRA.

Pricing Mechanism

Each type of the continuing connected transactions shall be conducted in the following manner:

- (1) in the ordinary and usual course of business of the Group and Hwabao Parties;
- (2) considerations of transactions shall be arrived at after arm’s length negotiation and shall take into account the prevailing market prices at the time of signing of specific contracts or execution of transactions;
- (3) on normal commercial terms and terms no less favourable to (i) the terms offered by independent third parties to the Group in respect of similar or comparable type of business and (ii) terms provided by Hwabao Parties to independent third parties in respect of similar or comparable type of business; and
- (4) in compliance with the Hong Kong Listing Rules, applicable laws, all applicable provisions of the Framework Agreement and specific contracts.

The continuing connected transactions shall also comply with the following detailed pricing mechanisms:

Type of transaction	Transaction scope		Pricing mechanism
Fund utilisation	Sale and purchase of bonds		Pricing is based on the prevailing transaction prices of comparable bonds on the inter-bank market. The inter-bank market adopts the mechanism of real-time quotation on trading days, where recognized market participants may enquire market transaction prices and such quotations are applicable to all market participants.
	Pledge-style repo		Pricing is based on the prevailing transaction prices of similar types of repurchase on the inter-bank market. The inter-bank market adopts the mechanism of real-time quotation on trading days, where recognized market participants may enquire market transaction prices and such quotations are applicable to all market participants.
	Trading financial products	Securities investment funds	Pricing is based on the net value of share of the fund as at the close of trading on the date of application for the transaction. Net value of share of the fund is announced on websites of relevant fund companies and is updated once per trading day. Transaction prices announced on websites of fund companies are applicable to all market participants.
		Trust plans, insurance asset management products, wealth management plans of commercial banks, special asset management plans of securities companies	Pricing is based on the public offer price of trust plans/products which is applicable to all market participants.

Type of transaction	Transaction scope	Pricing mechanism
Sales of financial products business	Sales of asset management products	Pricing is based on the product unit nominal value specified in the offer documents of the asset management products or the net value of products as at the close of trading on the date of application for the transaction. Such quotations are available on the website of the Company and are updated approximately once per trading day. Transaction prices announced on the website of the Company are applicable to all market participants.

Term

The Framework Agreement shall become effective as at the date of signing by all parties and shall continue to be valid until 31 December 2025 (such day inclusive) (the “**Initial Term**”), unless terminated earlier pursuant to the Framework Agreement. Subject to compliance with the Hong Kong Listing Rules or obtaining any waiver from strict compliance with such requirements, upon expiration of the Initial Term or subsequent renewal, the Framework Agreement shall be automatically renewed for a successive period of one year thereafter (the “**Renewal Term**”), only provided that there shall not be more than two automatic renewals.

Renewal of the Framework Agreement shall be subject to the then applicable requirements regarding connected transactions under any stock exchange rules (including but not limited to the Listing Rules) which shall be complied with by any of the parties or the Company.
